Eriez® Selects Brian B. May Co. to Represent Metalworking Market in Southeast US

Erie, PA—[Eriez®](#) announces the appointment of Brian B. May Co. as the company's exclusive manufacturing sales representative for the [Metalworking market](#) in North Carolina, South Carolina and Virginia. Brian B. May Co. is now offering Eriez' entire catalog of metalworking equipment to help customers in this market segment solve their toughest fluid recycling and material handling challenges.

Based in Asheville, North Carolina, Brian B. May Co. has a wide variety of expertise throughout the cutting tools industry. The company was founded in 2003 by its president, Brian B. May. The team includes principals Matt Monday and Mike Wiley as well as information technology director Rick Prusik. Connor Gordon and Mike Wiley, Sr. handle sales and accounts while Joe Euler focuses on inside sales.

Eriez Director of Heavy Industry Darrell Milton says, "We selected this group to represent Eriez not only for their knowledge and experience, but also their drive to elevate every metalworking application they encounter. Brian B. May Co. is dedicated to understanding each customer's unique circumstances and requirements in order to recommend the most cutting edge solutions to boost productivity and performance." He adds, "Most importantly, they share our commitment to customer service, which means providing world class support before and after a sale." Eriez' [metalworking line](#) includes a wide assortment of fluid recycling, material handling, magnetic separation and feeding and conveying equipment. Milton says, "We have customers covered for everything from heavy duty lifting to meeting ultra-clean fluid requirements."
